"G" CLEF CLUB MAKES STATEMENT TO PUBLIC.

The "G" Clef club held their last meeting of the season in a social way Saturday afternoon at the Field House with Mrs. M. M. McMillan as hostess. A musical program was rendered followed by a short business session in which it was decided to give the public a statement of the financial status of the club for the year beginning Sept. 1, 1921, and to extend to them the hearty thanks and appreciation for the support given them during the season.

Most of the friends know that the club has been responsible for the tuition and musical instruction for Miss Ella Mae Smith at Pisk University this year and for this reason the members have frequently called on the public for help.

They therefore feel that it is due to them to make the following statement:

Receipts for the year: \$927.13
Disbursement for the year: \$51.37
Paid Pisk University for: \$349.80
Balance on hand: \$525.96

The club will reorganize in September for another year's work. The study of Harmony and also the History of Music will be two of the new features. Music week will be held again in December. Twelfth musical given every 5th Sunday and a musical festival in the Spring. These items together with an artist occasionally will constitute the year's work.

THE "G" CLEF CLUB.

The W. H. M. S. was graced with the presence of the President Mrs. W. A. Gaston. The lesson was taught by the pastor, Rev. A. A. Banks, in which our hearts were filled; after which a spicy program was rendered.

Mr. George Washington, a young man who was reared in Dallas with his mother Mrs. Annie E. Smith, 1913 Hall Street; and who, for the past two years has resided with his father, Frank Washington of Okmulgee, Oklahoma, until his recent death, came home to visit his mother; and departing on the 14th inst., for California and other points in the west to spend the Summer vacation months.

The Beaumont Black Oilers have in the person of Person, the greatest infielder in the Texas Colored League. Come out and see him perform Saturday, Sunday, Monday, May 20, 21 and 22.

It has been the privilege and pleasure of the "Palace Theatre" to enjoy the hearty support and liberal patronage of the pleasure going public; and in as much as The most progressive theatres of the city has from time to time given benefit entertainments to assist worthy charitable causes; it is the desire of the management to give to its patrons as a token of appreciation for their patronage such entertainments as will be beneficial to them and their causes—hence a style show has been planned by the Movie Stars of Dallas and New York for the benefit of the Y. M. C. A.

The management will spare no pains nor expense to make this the grandest and most spectacular affair ever held in Dallas.

We do not boast but Dallas is at our finger tips for decorations.

Yours Respectfully,

Palace Theatre Management

RESOLUTIONS OF PRO-PHETICAL CLUB.

Oak Cliff. In the passing of Dr. A. R. Griggs, we have lost a leader whose place it will be hard to fill, but his works will live after him. He was known as the father of the Negro Baptists of Texas, a race and national man, a man who did not confine his work to his immediate community. He was broad hearted and charitable, willing to do whatever his hands found to do for the uplift of humanity.

This great man strove untiringly until the Master said, "well done, good and faithful servant, thou hast been faithful over a few things, I will make you ruler over many."

BE IT RESOLVED, that we bow our heads in humble submission to him who does all things well.

BE IT RESOLVED, that we profit by the good examples he has laid for us.

BE IT FURTHER RESOLVED, that we bow our heads in humble submission to Him who doeth all things well.
